

BBBS SEPA BIG SISTER IS NAMED A NATIONAL HERO

This month, Heroes In Our Midst has named Big Sister, Brenda Taylor, as its award recipient for June, and with the help of our organization, the national program honored her during a press conference at the Philadelphia School District Building.

Heroes In Our Midst, a national campaign created by the Greeting Card Association in partnership with Big Brothers Big Sisters, is an ongoing initiative to recognize everyday people who are making a positive impact on the lives of others. Each month, Heroes In Our Midst works with Big Brothers Big Sisters to identify a Big whose mentoring efforts have helped improve the life of a Little and would be an inspiration to others.

To honor everyday heroes like our local hero, Brenda Taylor, the program encourages Philadelphians and Americans everywhere to send a greeting card or note of appreciation to Brenda for making an impact in the life of her "Little."

You can support our local hero by sending her cards or notes of appreciation to the address below:
