

Eight year old Angeles has been matched to her Big Sister Jennifer for almost two years in the High School Bigs program. Jennifer, a senior at Beckman High School, spends time with Angeles every Monday at Kennedy Elementary School in Santa Ana. The two enjoy playing Candyland, coloring, and just talking and hanging out. Angeles loves to read to her Big Sister and they have made it a weekly routine. Over the past two years, Jennifer has seen Angeles become more trusting and more social with other children. Angeles has said that she has the "best Big Sister in the whole program!"
