

Hit A Home Run For Kids

Your sponsorship goes directly to support efforts to recruit volunteer Big Brothers and Big Sisters for kids in our community. All of us, at some point in our lives, had someone who helped bring a little magic into our lives. Remember your first baseball game?

In 2007, BBBS supported more than 3,400 children matched with a Big Brother or Sister. Currently there are more than 800 children on our waiting list, with approximately 30 more children added each month. Serving the Twin Cities for 88 years, BBBS is a non-profit 501(c)(3) organization, supported through special events, foundation and government grants, corporate and individual gifts and United Way funding. Your support is vital; we thank you in advance for your consideration.
